Memorial Healthcare Foundation announces its "One Call" program, a unique one time ask for businesses and vendors who have generously supported our efforts through the years. We believe this annual pledge program will assist you in your budget planning when it comes to providing charitable support to our organization.

The program provides donors with prominent public recognition by the Foundation: major event program listing and signage, priority advertising in multiple digital media platforms and a plaque that we hope you will proudly display at your business location. Each year you renew your sponsorship, we will provide a brass tab to update your plaque.

Please read over this brochure that describes the benefits and contribution levels in detail. Please feel free to call us with any questions or concerns you have.

Thank you for your consideration.
